Sons of Thunder Soul Sister August 12th

Our monthly discipleship hangouts met this August! Son's of Thunder met at Andy Weisendanger's house with a devo from Pete Silverman focusing on being a Daniel in a generation and culture that is swayed away from Godly values! The guys enjoyed a swim, activities and chowed down on food provided by Jon Clayton. The girl's also met at Karina --- 's house. The devo was led by Linda Ruttle focusing on Ecclesiastes 3:11 God making everything beautiful in its time. The ladies also enjoyed making food and desert together and also were able to enjoy a swim!

Hello Goodbye BBQ August 16th

At this year's Hello Goodbye BBQ Igniters and leaders were able to welcome incoming 6th graders and say goodbye to the outgoing 8th graders with a bang! We enjoyed worship, fellowship and BBQ! The pool was a highlight of the event even though we were unable to throw Benji in! In good fun Igniters enjoyed opportunities to fellowship and make connections with new friends and leaders!

Summer Retreat August 20th-22nd

Where do we start?! The summer retreat was a huge success! Kids were receptive to the work the Lord was doing through guest speaker Gabe Garcia's testimony and sharing the word. Many kids stated the key moment of the retreat was the worship. Feeling and sensing the Holy Spirit during worship as they sang collectively to the Lord declaring His goodness! Refreshing Mountain was a gracious host and we look forward to meeting there again next summer!

The Big Kick August 23rd

With a heartfelt embrace we said goodbye to our current 8th graders leaving us for high school. We wish we can hold on to these guys but their memories will always last. It is always such a blessing to see students walking with the Lord as we inevitably see them years down the road in their tenure at Impact. Students are in great hands under the Shepherding of Vinny Fernandez, our High School Youth Director at Impact. Students were able to enjoy pizza and share their best Ignite memories! Students were prayed over and embraced as we closed out their last Wednesday with us!

Upcoming Events In The Month of September
