Soul Sister and The Forge Conjoined Event

Our last boys and girls discipleship events was a conjoined event at Karina and Fabio's house! It was a blast, leader Steven Giglio led the devo for the boys focusing on the importance of God's Word in our lives. Freshman Julianna Campanile led the girls' devo , focusing on how to overcome fear and worry by bringing it to the Lord and looking to His promises. Kids and leaders enjoyed fellowship and delicious food provided by Fabio and Karina!

Pilgrims Progress Movie Night

At our last movie night, hosted by TCTC, we watched the movie Pilgrim's Progress! What an encouragement it was to see the Christian Faith lived out in such practical and relatable ways! Students gathered in the back of the sanctuary and watched the movie together, then after the movie discussed its application to our lives.

Students and leaders also had a time of prayer over one another as we journey through life and the highs and lows of our faith.

You can also watch this animated film on youtube for free here:

Bible Trivia

Our bible trivia nights are always encouraging. Seeing our junior high students flip through the bible to seek answers. The Igniters worked in small groups together, and with leaders to find answers to bible trivia questions. We also enjoyed some delish Oreos to celebrate Oreo Day. We were all happily surprised by the reality of that national holiday. We also enjoyed pizza and fellowship! The 7th grade girls stole the show and were our winners of the night in a close battle of the wits!

Q and A With Vinny And Rico

On March 20th Senior High Director Vinny Fernandez and Children's Church Assistant Director Rico Basso led our Q and A and were able to field very good questions from our Igniters. Questions primarily focused on friendships and how to live out our christian walks in fellowship with a Holy God, in the midst of a sinful world! Both Vinny and Rico regularly host Bridge Bible talk on the Bridge radio from 3-4pm Monday through Thursday! They were a huge blessing to the ministry taking the time to thoroughly answer each question within a biblical framework!
